Committee Reports:

1. Hunting Tests - Mary Ann Hall. Discussion about grounds. Mr. Welch has changed his mind again and will order birds and wants us to hold HT there. We will see about holding 2 AKC HT on Dec 8 & 9 if those dates dont conflict with Palmetto Pointing Breed club's dates. Then we discussed the possibility of having our 3 day event (WCA Shooting Ratings on Fri, and AKC HT on Sat/Sun) on new grounds (Tall Pines) near Yamasee, SC. Decision is to meet with Mr. Mixon on Sat, July 14 at noon. Mary Ann will find judges for these 5 events.

2. Novice Field Seminar and Novice Retrieving Ratings - Elena Lamberson

NFS will be on Saturday, Oct 27. On Sunday, Oct 28 we will hold a WCA Retrieving Ratings. Following the rating test, we will hold an AKC Water Test for German Wirehair Pointers. The entry fee will be \$25. They may practice at the pond on Saturday afternoon for \$10. Two of our club members who are AKC HT judges will judge the Water Test. Elena will apply to WCA and AKC for these tests.

Old Business - none

New Business - Mary Ann told us about our part of helping the Chattahoochee WC's hosting the WCA National Specialty in April in Perry, GA. We will be responsible for holding the WCA Retrieving Ratings (NRD, RD, RDX). Also, possibly an AKC Retrieving HT. We will need to find judges for these events.
